STATE OF OKLAHOMA'S AMENDED FINAL FACT WITNESS LIST

Pursuant to the March 27, 2008 Scheduling Order and N.D. Okla. Form CV-15, the State, through its undersigned counsel, hereby provides the following *amended* final fact witness list.¹

These witnesses may be called either live or through prior sworn testimony. In addition to the witnesses listed, the State reserves all rights to amend or supplement the *Amended* Final Fact Witness List, to add or withdraw witnesses, and to correct, delete and / or substitute any witnesses listed in error. The State further reserves all rights to correct, delete and / or amend the descriptions of testimony. Several of the witnesses listed in the *Amended* Final Fact Witness List may be called to testify as “non-retained” experts. If called to testify, these “non-retained” expert witnesses will offer both fact and opinion testimony. The State reserves all rights to introduce and use any and all witnesses listed by any or all Defendants (to the extent not objected to by the State), as well as any and all witnesses necessary for rebuttal or impeachment of any witness called at trial. The State reserves all rights to introduce and use any and all witnesses necessary to establish the authenticity and / or foundation of any document or exhibit.

¹ Witnesses with * designation were identified previously in D. Sharon Gentry’s March 3, 2009 letter to Defendants as individuals whose names were inadvertently left off the State’s February 19, 2009 list. Witness 20a (John Blake) is a substitute for the general designation #389.

The State is providing the identification and location information for witnesses that were not on the State's Rule 26 disclosure as a courtesy to Defendants. The State maintains that such information is not required under the Court's Form CV-15.
